

# SAMANTHA PARRINGTON™

Defenders

Charge

**Minion: MANIPULATED BY THE GODS** When a friendly character that has the Deity keyword is within 8 squares of Samantha Parrington, actions given to Samantha Parrington do not count toward your available actions for the turn.

DRAGONFANG COPY (Blades/Claws/Fangs)

ASGARDIAN ENCHANTMENT (Energy Shield/Deflection)

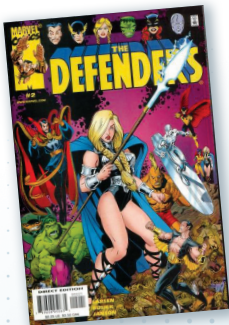

**TURN ON YOUR ALLIES** Friendly characters modify their damage values by +1 when they attack opposing characters that possess the same team ability they do.

POINT VALUE: 55

**REAL NAME:** Samantha Parrington

**FIRST APPEARANCE:** *Incredible Hulk* #142 (1971)

**BACKGROUND:** At various times ensorcelled by the Enchantress™, her sister Lorelei™, and the Olympian god Pluto™, wealthy eccentric Samantha Parrington was a receptive vessel for their magic, which ultimately transformed her into a mystical copy of Brunnhilde™ the Valkyrie™. Not in control of her actions as Valkyrie for a long time, she finally broke free of the control of the gods and joined one of the recent incarnations of the Defenders™. Her parents even provided them with a new headquarters, just in time for the Defenders to oppose Namor™, the Hulk™, Dr. Strange™, and the Silver Surfer™, who attempted to take over the world while under a curse.

# SKULL-BROTHER™

Robot, Scientist

GRAPPLE WITH THE HULK (Plasticity)

ANDROID (Toughness)

AVIAN SCIENCE (Perplex)

AVIAN CULTURE AND WARFARE (Exploit Weakness)

POINT VALUE: 75

**REAL NAME:** Bi-Beast™

**FIRST APPEARANCE:** *Incredible Hulk* #213 (1977)

**BACKGROUND:** After the first Bi-Beast was destroyed, the second Bi-Beast received the memories of the first and was awakened. Containing all of the scientific knowledge that the first version lacked, it took over a S.H.I.E.L.D.™ heli-carrier in order to create a new "Sky Island." Failing at that, it was later captured by the Stranger™ until escaping to seek revenge on the Hulk™ for his predecessor's death.

# GHARSKYGT™

Asgardian, Warrior

Charge

**THE ETERNAL GLORY OF ASGARD!** Gharskygt can use Perplex twice on your turn, but can target only other friendly characters that have the Asgardian keyword, and modify only attack values.

Toughness

**PREEMINENT WARRIOR** (Close Combat Expert)

POINT VALUE: 61

**REAL NAME:** Gharskygt

**FIRST APPEARANCE:** *Thor* #50 (2002)

**BACKGROUND:** A brave and loyal warrior of Asgard™, Gharskygt is the husband of Hildy™, daughter of Volstagg™. Often away from home to defend the Realm Eternal, he has been known to adventure along with his father-in-law. A recent invasion of frost giants has sent him abroad again, with his wife anxiously awaiting word of his status.

# SON OF SURTUR™

Asgardian, Monster

LEADING THE CHARGE (Charge)

Energy explosion

THE INFERNO OF MUSPELHEIM (Poison)

Toughness

GENERAL OF THE RAGNAROK ARMY (Leadership)

**FAN THE FLAMES** At the beginning of your turn, roll a d6 for each opposing character adjacent to one or more friendly characters named Fire Demon. On a result of 5 or 6, deal 1 damage to that opposing character.

POINT VALUE: 68

**MARVEL**

HEROCLIX

**REAL NAME:** (None)

**FIRST APPEARANCE:** *Journey into Mystery* #104 (1964)

**BACKGROUND:** Spawned in the pits of Muspelheim, the Sons of Surtur are the lieutenants of Surtur's army of fire demons. Vicious, cruel, and callous, they gleefully send their endless army of demons into the thick of battle. They enjoy the death cries of their own soldiers almost as much as the sound of perishing Asgardians™.

# THOR™, THE REIGNING

Asgardian, Deity, Ruler

RULER OF THE NINE WORLDS (Mind Control)

WORTHY AGAIN (Hypersonic Speed)

YOU DARE TO QUESTION THOR? (Pulse Wave)

BEGONE FROM MY SIGHT (Telekinesis)

**ODINSLEEP** At the beginning of your turn, put a Sleep token on this card. When there are three Sleep tokens on this card, as a free action you must remove all of them and heal Thor, The Reigning of 5 damage. No action or game effect can cause Thor, The Reigning to move from the square he currently occupies. This power can't be countered or ignored.

LORD OF STORMS REBORN (Energy Explosion)

POINT VALUE: 168

Invulnerability

Toughness

WE MUST PROTECT OUR LORD (Defend)

ODIN FORCE (Probability Control)

RENEWING SLUMBER (Support)

**MJOLNIR RETURNED** Thor, The Reigning can use the Flight ability and Ranged Combat Expert.

**REAL NAME:** Thor Odinson™

**FIRST APPEARANCE:** *Thor* #68 (2003)

**BACKGROUND:** In an alternate future, after mankind attacked Asgard, Thor has ruled Earth for a century with the Odinfors. While he lost his worthiness to lift Mjolnir when he became dictator, he has gained a son in Magni. However, a face from his past may lead him down a path of redemption.
